PET WELLNESS CLINIC MEMBERSHIP APPLICATION

The Washington Area Humane Society thanks you for supporting our shelter. We care about the future of your animals and we want them to share a happy healthy life with you.

Our Pet Wellness Clinic opened in 1998 to help in the management of simple routine pet care issues. That includes vaccinations, parasite and flea prevention, and fecal tests as indicated on the following page. We see clients only on scheduled clinic days at our facility. An appointment is required. Please call the shelter to schedule an appointment.

Annual membership fee is \$30.00 for each animal in the household. You will only be charged for the vaccinations, medications, fecal work, etc. that your pet receives which are offered at a reduced rate. There will be NO charge for the actual office visit. Our price schedule for medicines and services is greatly discounted. A current schedule is included on the following page.

The clinic is a **Wellness Clinic** and we urge our members to also have a private veterinarian for your pet(s) emergencies and other healthcare needs.

By becoming a member of our Pet Wellness Clinic, you will also be helping our orphaned animals. Profits from the clinic will be used to care for the thousands of unwanted animals that spend time in our shelter yearly. Please complete the form below. If you have any questions, please call us at 724-222-7387.
