FOSTER ADOPT DONATE

KITTEN SEASON HAS ARRIVED

The Washington Area Humane Society intakes hundreds of kittens a year. Kitten season typically lasts May through September. The shelter can only hold so many so we rely on fosters and community members to help us save lives!

Calling All Fosters

During kitten season, the need for fosters can be even greater than the need for adopters. Young kittens can live safely in a small, enclosed area – even a bathroom if you have other pets, and the WAHS will provide you with all the information and supplies you need to care for your foster pet.

If you find a young kitten or litter and have room in your home – for just two weeks or more – please consider becoming a foster. We encourage you to call our team for assistance and to receive all necessary supplies.

SPAY & NEUTER

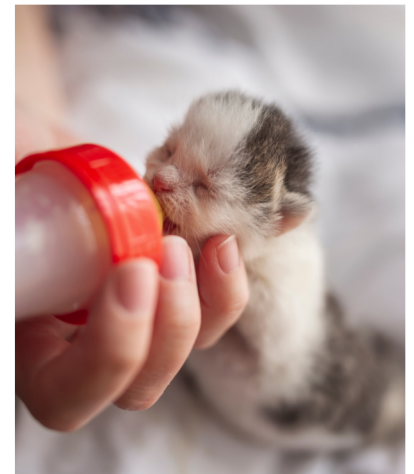

There are 70 million homeless cats in the United States each year. You can help end pet overpopulation by spaying and neutering your pets. Spaying and neutering is one of the greatest gifts you can provide your pet and your family. These routine medical procedures not only help control pet overpopulation, but they may also prevent medical and behavior problems from developing. The WAHS offers **\$50 spay/neuter services monthly** for owned and feral cats. Be a responsible pet owner and spay and neuter your pets. Sign-up for our low-cost spay/neuter services on our website.

Wish List

Help us provide lifesaving care to nearly 200 kittens this year by purchasing a much-needed item(s) from our Amazon Kitten Wish List. Not only do we use these items at our facility, but we also provide our fosters with everything they need to care for their kittens. While some items can be reused (playpens, scales, heating pads, etc.), we continuously need others such as food, formula, and nipples.

The items you purchase from our Amazon Wish List will be sent directly to our facility. All other donations can be dropped off at our shelter at any time (1527 Route 136, Eighty Four, PA 15330).

Dear Friend,

We are all prepping for the busy summer and kitten season at the Washington Area Humane Society. The month of May is the start of the season and it does not slow down until September. The Washington Area Humane Society intakes hundreds of kittens each year and spays and neuters over 1200 cats and kittens per year. The cat overpopulation problem is vast and we cannot do this alone. We are in need of fosters, adopters, and donations to carry us through so we can save lives. We appreciate all of your past support and hope you will continue to help the homeless, abandoned, and abused animals of Washington County, Pennsylvania.

Kitten Playdates

Let our kittens de-stress your workplace! It is a known fact that pets have a wonderful effect on people. **Work is the #1 stressor in the U.S.** Studies show that approximately 77% of people feel physical symptoms of stress. **Cats and kittens can reduce stress,** lower blood pressure, and increase social interaction, in and out of the workplace. Each kitten play date will be scheduled for 1 hour. Our team will bring adoptable kittens or cats to your workplace. Gather your team for an hour of relaxation and team bonding, all while supporting our lifesaving mission!

De-Stress Kitten Playdate \$500

- 1 hour visit with adoptable cats/kittens at your workplace
- A thank you post on the WAHS FB page displaying your business name/logo

Cat Yoga

Every month, our lobby transforms into a studio for the newest, challenging exercise fad -yoga with cats. Participants can **join us for a 1-hour long soothing flow yoga session** with the adoptable cats at the WAHS led by a certified yoga instructor. Every class is suitable for all experience levels. The **class participation fee** becomes a donation to help support the animals of the WAHS.

- Cat Yoga: Kids Session (9 years+)
- Cat Yoga: Adult Session (14-16 years with guardian, 17 years+)

Fantastic Fosters!

Lexi has been an active foster for the WAHS since September 2020. She has fostered bottle baby kittens, mom and kittens, and she currently fosters Hershey, who is a forever foster. Lexi goes above and beyond for her foster pets providing daily enrichment activities and love and care. Because of fosters like Lexi, we are able to care for more pets at the WAHS.
