

EVERY ANIMAL HAS A VOICE

Our Mission is to provide shelter, safety, and care for the abandoned and abused animals of Washington County with the goal of placing them in forever homes.

February 2026

Dear Friend of the WAHS,

At the Washington Area Humane Society (WAHS), we've cared for Washington County's abandoned, abused, and neglected animals for over 100 years. Our lifesaving work is only made possible by support we receive from our community.

This year, I am happy to introduce you to our updated Corporate Partner Program. This program was designed to create relationships between our mission and the businesses in our community dedicated to providing lifesaving support to nearly 6,500 pets each year – like you!

This partnership opportunity will blend your company's advertising, marketing, and philanthropic dollars to provide year-long benefits for your company as you support Washington County's most vulnerable animals. Enclosed with this letter is information about our Corporate Partner giving levels and benefits.

I hope that you will consider joining us as a Corporate Partner in 2026.

If you have any questions, please contact me at TaylorD@washingtonpashelter.org or 724-222-7387 ext. 120.

Thank you so much for your support of the homeless dogs and cats of Washington County!

Sincerely,

Taylor Duda

Kitten Litter Sponsor

On average, the Washington Area Humane Society cares for more than 200 kittens (newborn – 6 months) each year. Neonate and young kittens are some of the most vulnerable pets in need in shelters as they require around-the-clock care for the first few weeks of their lives.

You can be a part of this life-changing experience by sponsoring a litter of kittens at the WAHS.

De-Stress Kitten Playdate

Let our kittens de-stress your workplace! It is a well-known fact that pets have a wonderful effect on people. Work is the #1 stressor in the U.S. Studies show that approximately 77% of people feel physical symptoms of stress. Cats and kittens can reduce stress, lower blood pressure, and increase social interaction, in and out of the workplace.

Each kitten playdate will be scheduled for 1 hour and 30 minutes. Our team will bring adoptable kittens or cats to your workplace. Gather your team for an hour of relaxation and team bonding, all while supporting our lifesaving mission!

De-Stress Kitten Playdate | \$500

- 1 hour 30-minute visit with adoptable cats/kittens at your workplace
- A thank you post on the WAHS FB page displaying your business name/logo

**Playdates will need to be scheduled with advanced notice and will depend on the availability of adoptable cats/kittens at the WAHS*

Animal Advocate

38 pets each month, on average, find their loving, forever home through the WAHS. By being a monthly animal advocate, you could be a part of these pets' happy forever after!

Monthly Animal Advocate | \$3,000

- Name/Logo featured on our adoption screen displayed in our lobby for one month
- Name/Logo featured in adoption photos
- Your business tagged on our FB adoption posts weekly
- Ability to provide print material to be placed in our adoption folders for the month
