

EVERY ANIMAL HAS A VOICE

Our Mission is to provide shelter, safety, and care for the abandoned and abused animals of Washington County with the goal of placing them in forever homes.

March 2026

Dear Friend of the WAHS,

The Washington Area Humane Society (WAHS) is planning for its 2027 Lottery Calendar and invites you to be a part of this legacy fundraiser!

Over the last 16 years, WAHS's Lottery Calendars have reached more than 15,000 Washington County homes. This fundraiser has been extremely popular and highly successful, typically selling out within three short months of being released each year.

Every month, our Lottery Calendar features a pet who has received shelter, safety, and care at the WAHS before finding their loving, forever home.

All proceeds from the 2027 Lottery Calendar will support our lifesaving mission of providing shelter, safety, and care to the abandoned and abused animals of Washington County with the goal of placing them in forever homes.

Enclosed with this letter is information about our Lottery Calendar sponsorships and benefits. We hope that you will consider a sponsorship of this popular fundraiser and provide a second chance to even more animals at the WAHS.

Because of businesses like you, the WAHS remains an integral part of the community and can continue our lifesaving work. If you have any questions, please reach out to Taylor Duda at TaylorD@washingtonpashelter.org or 724-222-7387 ext. 120.

Sincerely,

Taylor Duda
Director of Development, WAHS
